

IMPACT 80-130-200

SOLVING LIFTING & MOVING NEEDS IN YOUR WAREHOUSE, WORKSHOP, PRODUCTION, ETC.

Discover new **opportunities** and **increase** your work **efficiency** with a battery-powered Hovmand lifter for your warehouse, production, workshop, supermarket, or catering centre.

Ease of handling and quiet operation makes the Hovmand lifters **efficient**, **trusted** and **safe** work tools.

Developed with high **flexibility** in mind, the Impact range – 80, 130 and 200 – can be **tailor-made** to suit your particular need.

The lifters are **designed** for use in tight and limited surroundings. By handling items with as little force as possible and by using the **right** movements, you eliminate harmful **work** procedures.

WHY AN IMPACT LIFTER

- Speed
- Operation
- Maneuverability

LIFTING TOOLS

Platforms and forks for **boxes**
Booms and manipulators for **reels**
Grip, turn and tip tools for **drums** and **containers**. Special tools for **all purposes** on request

CAPACITY & LIFTING HEIGHT

The lifting **capacities** are 80, 130 and 200 kg respectively with possible strokes of 1,200, 1,600 and 2,000 mm.

LEGS AND WHEELS

Fixed or adjustable legs (width & length)

Front wheels: Ø50, Ø75 swivel or Ø80 fixed

Rear wheels: Ø125 with brake

MAST & LIFTING FUNCTION

Mast in anodised aluminium and steel sledge with precision ball bearings.

The lifters are equipped with **strong**, **energy-efficient** 24V DC motors and are driven by steel reinforced cam belts with no special **maintenance** required.

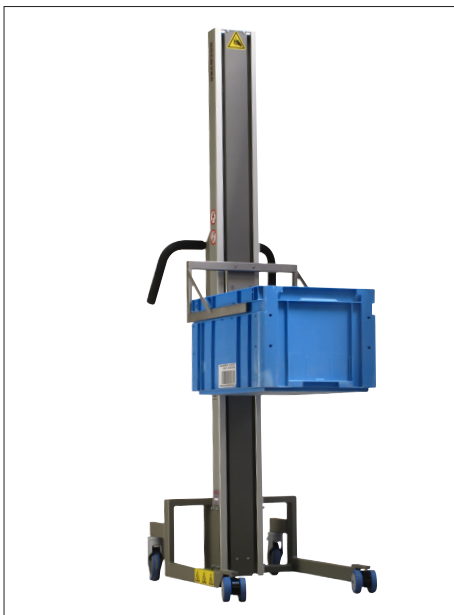

CONTROLS

The lifters are **easy to use** with push button operation or a handheld remote control unit with spiral cord, battery-indicator, built-in charger and charge indicator.

SAFETY

All movable parts shielded, and the lifters have overload protection and a security clutch. **Intelligent** recharging.

WE IMPROVE OUR CUSTOMERS' WORKFLOW WITH INTELLIGENT LIFTING AND MOVING SOLUTIONS
